

The Exchange

Refugee Welcome Collective

Community Engagement Staff Exchange

What is the Exchange?

The Community Engagement Staff Exchange, or the Exchange, is an online platform hosted by Refugee Welcome Collective for national and local refugee resettlement agency staff whose roles include community sponsorship and volunteer engagement.

Through resource sharing and purposeful communication, the Exchange will serve as a dynamic space for engagement, learning, and collaboration.

Staff at national and local refugee resettlement agencies are invited to join the Exchange and grow connections, share expertise, and build solidarity.

Join the Platform

Or contact RWC to request an invitation.

✉ info@refugeewelcome.org

Why Join?

Connect with peers across the country

Build your network and break down barriers to communication between local and national staff.

Find the resources and tools you need

Save time and effort by tapping into the collective file bank and exchange.

Collaborate with nationwide impact

Work hand-in-hand to combine wide expertise for new and improved resources and trainings that meet your needs.

Discuss challenges and share solutions

Find answers and offer your knowledge in a dedicated forum for all things welcome.
