

LUNCH AND LEARN

A series of monthly webinars for community sponsors, volunteers, and anyone interested in refugee resettlement.

Navigating Language Barriers and Bridging Communication Gaps

MAR. 31

Join us for a Lunch and Learn session featuring refugees and volunteers who will share their experiences with navigating language barriers, using translation and interpretation services, and English language learning. Gain insights into how these services bridge communication gaps and support refugees effectively.

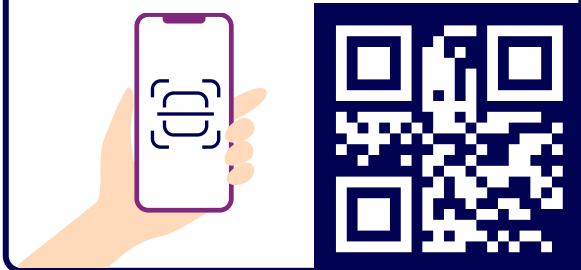

Key Topics:

- Hear directly from refugees about their challenges and successes in accessing services through translation and interpretation.
- Learn from volunteers about their roles in facilitating communication and the impact of effective language services.
- Discover practical tips and strategies for using translation and interpretation services to support refugees in various contexts.
